WISHING ALL OUR
PATIENTS A HAPPY
AND HEALTHY 2016

2015 WAS AN INTERESTING YEAR AT SHERRATT OPTICIANS!

We started the year with a sinking feeling.....the reception area floor was disappearing.... but it was quickly remedied, and after the repairs, we brightened things up with a lovely new wood floor and carpet.

Next came a long list of new equipment to help both with patient care, and the running of the practice. A new OCT scanner and electronic test chart, practice management system for appointment booking and recall, an update for all the computers.... our list is endless! And during all of this we continued to examine our patients!
