

WANT MORE FROM YOUR READING SPECTACLES?

Are you annoyed by single focus reading glasses? Do you end up putting them on your head, leaving them in another room, or constantly on and off with them when multi-tasking?

There is another option (and it's not a varifocal lens).....

The office lens by Zeiss is custom made to give you crisp, clear vision and a wide view over a range of working distances. Perfect for;

- ✓ Reading and crafts
- ✓ Workplace and home office
- ✓ Room distance and multi-tasking

Ask about our special offers on Zeiss office lenses during February and March

Do you have a problem with dry eyes? There's a new product that can help!

Thealoz Duo is preservative free and uses two active ingredients to offer better lubrication and longer relief from symptoms.

Compatible with contact lens wear too!

Our eyecare services include NHS eye examinations, diabetic retinopathy screening and glaucoma monitoring. You can choose to upgrade your examination with a Zeiss OCT scan - please ask for details.
